

## About JCI and the JCI Foundation

### WHO WE ARE

JCI is a nonprofit organization of young active citizens ages 18 to 40 who are engaged and committed to creating impact in their communities. Active citizens are individuals invested in the future of our world. JCI gathers active citizens from all sectors of society.

We develop the skills, knowledge and understanding to make informed decisions and take action.

As globally minded young people, we all have rights, responsibilities and shared goals. We find targeted solutions to local issues benefitting our communities, our world and our future. Embracing new ideas, collaboration and diversity, we have the passion and courage to address the critical challenges of our time.

### ABOUT THE JCI FOUNDATION

More than 50 years ago, the JCI Foundation was established to empower JCI members and friends to invest in the future of JCI financially. Since it began, the JCI Foundation has raised more than US \$8 million to support specific efforts contributing to growth and development, leadership development, training and Local or National Organization extension.

The JCI Foundation is a registered 501(c)3 charitable organization in the United States.

### DID YOU KNOW?

JCI members who donate US \$100 or more to the JCI Foundation are recognized with one of several levels. But it's not necessary to donate all at once. The donations add up over time, so little by little, you can achieve the highest level.
